ARI RUBIN

Cleveland, Ohio - arimichaelrubin@gmail.com - 216.868.5771

Motivated business graduate with a cross-functional background spanning marketing, finance, and supply chain management, experienced in leading small teams, designing and implementing automated sales systems, and conducting market research, with a demonstrated track record of high-quality insight delivery and smooth project implementation.

Education

Case Western Reserve University - *Cleveland, Ohio* | Expected Graduation: December 2026

Bachelor of Science in Marketing | Minors: Finance, Supply Chain Management

Experience

Huntington National Bank - *Akron, Ohio*

Sales Enablement Intern - Regional Banking Division | May 2026 - August 2026

- Evaluated the Regional Bank's existing iterative sales goal models and developed recommendations for integrating AI-driven forecasting into the goal-setting process
- Built and deployed a full-function automated license management system for a sales platform used across Huntington's regional banking network using Microsoft Power Automate and SharePoint
- Conducted comprehensive internal research on SBA 7(a) loan process satisfaction, analyzed and summarized KPIs in Power BI, and presented findings to leadership to identify opportunities for process improvement
- Conducted product research and authored a formal recommendation memo evaluating a tool for integration into the Regional Bank Salesforce CRM as part of a new automation initiative

Shurtape Technologies, LLC - *Avon, Ohio*

Insights Intern | May 2025 - August 2025

- Conducted market research and competitor analysis to inform product innovation across Shurtape's portfolio, including Duck, Duck Pro, and FrogTape brands
- Translated consumer and market insights into adhesive-based product concepts, contributing to innovation initiatives such as FrogTape ReMOVEables
- Designed and scripted large-scale consumer surveys in Forsta, applying randomization logic and segmentation frameworks to test product messaging and positioning
- Delivered research presentations to senior marketing leadership, turning insights into actionable recommendations

- Founded and led *Interns Connect*, a new weekly program enabling interns to discuss projects and collaborate across functions

Global Furnishings, Inc - *Cleveland, Ohio*

Business Development Intern | March 2024 - March 2025

- Combined R&D, business development, and outreach strategies to expand GFI's reach into security solutions and community management
- Managed a small team of software engineering interns, delegating tasks and bridging the gap between engineers and non-engineers to ensure smooth project execution
- Fostered relationships with suppliers, identified new business opportunities, and supported the sales process using Zoho CRM and Pipedrive
- Enhanced marketing efforts and analyzed performance metrics using Google Ads, Google Analytics, Google Tag Manager

LAB Week - *Painesville, Ohio*

Volunteer | June 2023

- Aided in preparation and facilitation of activities for an annual week-long overnight, business-oriented educational program
- Managed two groups of high school students, fostering their immersion in the lessons and simulation activities
- Communicated with representatives from companies partnering with LAB to arrange their roles within the program
